

RACE TASMANIA

This year Race Tasmania will be held at Baskerville Raceway on the 10/03/2024 and Symmons Plains Raceway 15-17/03/2024. The entry fee will be roughly \$600.00 which will cover both weekends and will be ran as a mini championship. Garry Rogers Motorsport has given HERT \$10,000 with the provision that we need a minimum 20 cars on the grid both weekends. The discussions on how the \$10,000 will be split are still in progress and will provide further update once this is set in stone.

If we don't have 20 cars the money will not provided. This is an amazing incentive and can't thank GRM enough for the involvement in our States category.

Race Tasmania is only possible due to the continued support of AWC.
